

# Stage 3 Camp

What a great time we had at camp at the Berry Sport and Rec Centre on Monday 8<sup>th</sup> September to Wednesday 10<sup>th</sup> September. The weather was perfect for the first few days but the rain on the final day did not dampen the fun. From the free time on the basketball court to the great lunches, from canoeing in the river to the camp cook out, from the indoor rock climbing to the market fair, every activity built our team work skills and allowed us to build our relationships with friends.
